**Subject:** Job application for the position of Dairy Farm Assistant

Greeting of the Day

Dear Hiring Manager,

I am writing to express my strong interest in the Dairy Farm Assistant position at FRS Farm Services, as advertised. With a solid background in dairy farming, combined with hands-on experience in housekeeping and mixed farming, I am confident in my ability to contribute effectively to your team and support your commitment to animal welfare and high-quality farm management.

Currently, I am employed as a Dairy Farm Assistant at Himalaya Agro Farm Nepal (HAFN) in Kathmandu, where I have been working since March 2019. During this time, I have gained extensive experience in milking procedures, animal care, feed management, and maintaining hygiene across all farm areas. I am responsible for monitoring the health of livestock, preparing and following feeding schedules, and ensuring that all dairy equipment and facilities are well-maintained. This role has helped me develop a strong work ethic and the ability to perform effectively in a fast-paced agricultural environment.

Before joining HAFN, I worked as a Accountant at Hotel Moonlight Pvt. Limited, Thamel, from October 2017 to February 2019. This role enhanced my attention to detail and cleanliness, as well as strengthened my time management and teamwork skills—qualities that are essential in maintaining order and safety on a busy farm.

In addition, I have been actively involved in mixed farming at my own homestead. This includes experience in crop production, livestock care, poultry management, and implementing sustainable and organic farming practices. This has given me a well-rounded understanding of farm operations, equipment handling, and seasonal agricultural activities.

I am enthusiastic about the opportunity to join FRS Farm Services, a company I admire for its professional approach and dedication to high standards in farm operations. I am eager to contribute my experience, adaptability, and commitment to animal care as part of your team.

Thank you for considering my application. I look forward to the opportunity to discuss how my background and skills align with the needs of your team. I am available for an interview at

your earliest convenience and can be reached at [+977 9869686544] or [niraj9869686544@gmail.com].

Sincerely,
